Cameras – Optional.

Please ensure all items are clearly labelled to assist with identifying any Lost Property.

We suggest that students have the following items easily accessible in their backpack on the bus with them - hat, raincoat, water bottle, sunscreen, insect repellent, hair ties and tea towel.

Loose or dangling jewellery are not to be worn on activities so we therefore suggest leaving these items at home.

We recommend that shirts are of a suitable length to allow them to be tucked into shorts so as to prevent exposure of waistline and consequent rubbing by harnesses.

Plenty of good healthy food is provided, so no one will go hungry. Please do not bring your own food unless discussed with the camp manager as allergy contamination may occur.
